

# Picnic Shelters & Lodges in Geauga Park District

• A lodge is a shelter that is fully or partly enclosed. All shelters and lodges not otherwise reserved are available first come, first served.

• **Reservations must be made at least three (3) days in advance for shelters and lodges.** To receive a fee refund, cancel seven (7) days prior to the reservation date. Fees are not transferable.

• Fees are incurred for certain facilities. For the current fee schedule, please visit [www.geaugaparkdistrict.org](http://www.geaugaparkdistrict.org) and click Reservations.

• Most shelters offer picnic tables, electrical outlets, grills, restrooms and a covered shelter. Reservations do not include surrounding picnic areas.

• Bring your own water for drinking and clean-up.

• Decorations may be put up as long as nails are not used; confetti is prohibited.

• Please return facilities to the conditions in which you found them, i.e. furniture in its original positions.

• Alcohol is permitted in shelters and lodges, but not in parking or activity areas, trails, roads and restrooms.
