

Geauga Park District Nature Craft #5

Make STICK-Tac-Toe!

You will need:

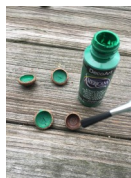

- *Sticks*
- *Rocks, pinecones, acorns or other 'markers'*
- *Hand pruners*
- *Twine, yarn or string*
- *Scissors*
- *Paint, paint brushes or markers*

1. Cut 4 sticks of similar diameter into the same length.
2. Tie two sticks together, about 1/3 in. Wrap twine around and tie tightly.
3. Twist the twigs into an X, so that they are now perpendicular to each other.
4. Wrap the yarn around the X to secure it in this position. (go around the twigs several times to secure it)
5. Repeat with the other two sticks.
6. Position the two halves of the stick-tac-toe board, and tie the remaining corners together as above.

7. Collect game markers: 10 of the same object, or 5 each of two different objects.
8. Paint or decorate each players markers.

9. Enjoy a game of Stick-Tac-Toe!
10. Share your game on Geauga Park District's Social Media.
