The Great Outdoors

The great outdoors-

*tweet, tweet!*

So many birdies.

Red cardinals, black and white chickadees,

and brown hawks.

*Flap, flap!*

Fly the birdies wings.

*Whoosh!*

Trees swaying where

the birdies make their nests.

*How-hooooo!*

The coyotes howling in the woods.

*Crackle, crackle-*

squirrels and chipmunks scampering

around playing tag.

*Woo! Woo! Woo!*

My dog startled me and the peaceful animals,

and they all scurried away.
