

THE GREAT GEauga TOTAL SOLAR ECLIPSE 4-8-2024

SPONSORSHIP OPPORTUNITIES

On April 8, 2024, the moon will pass between the sun and Earth over Geauga County, casting a shadow of total darkness in the middle of the day! Join us in helping residents celebrate the rare phenomenon of a TOTAL solar eclipse in our community.

GEAUGA PARK DISTRICT

WHAT Geauga Park District is planning a grand viewing event, The Great Geauga Total Solar Eclipse, to be held at the Geauga County Fairgrounds. Pre-eclipse activities will run from 11 AM to 2 PM. Eclipse viewing begins at 2 PM, with provided eclipse glasses for safety (while supplies last – then we share). The total eclipse is at 3:15 PM, with 3 minutes, 27 seconds of darkness, and then the receding eclipse ends at 4:30 PM.

WHY Your support will enable us to provide a fun, safe and free event by helping offset the following expenses: eclipse glasses for as many attendees as possible, interactive activity supplies, property additions (toilet rentals, trash service), signage and security.

Sponsorship opportunities are available at four levels.

SUN SPONSOR \$3,000

- Logo placement on event sponsor banner
- Company name included in announcements made during the event
- Featured presence at event
- Logo placement up to two months prior to event in print/social/email promotion
